Prothane II™ REACH Compliance

This is to offer information regarding compliance of the European Union (EU) Directive covering the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) of materials used to process and manufacture Prothane™ Tubing.

Please be advised that based on the information available to us from our raw material suppliers, the Prothane II™ does not contain, as intentional additives, any of the below referenced materials as referenced in the subject EU directive.

Hexavalent chromium compounds
Cadmium and its compounds
Mercury and its compounds
Lead and its compounds
Polybrominated diphenyl ethers (PBDEs)
Polybrominated biphenyls (PBBs)

To the best of our knowledge, none of these materials are generated during production. We do not specifically run any analysis on our raw materials or end product to measure for these materials. We are dependent on information supplied to us by the raw material manufactures and have conveyed directly the information supplied to us.

5/21/2015

This material (Prothane II™) has been tested by SGS North America, Inc., and has PASSED European Regulation (EC) No. 1907/2006 (REACH) Annex XVII and its amendments - Phthalates content (Formerly Directive 205?84/EC).
